CAODC LEVEL IV INSPECTION CERTIFICATE

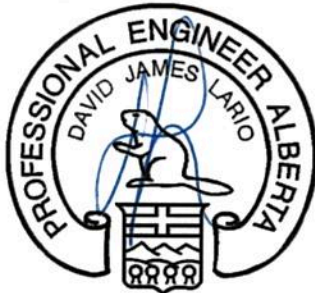

CERTIFICATION OF: Square Shoulder Casing Elevator Bushing Inserts
MAKE: Rees NDT
MODEL: 4 1/2" - 5 1/2"
SERIAL NUMBER: 11132
OWNER: Pathmaker Services Co. Ltd.

Rees NDT Inspection Services 2008 Ltd. performed a VISUAL inspection on the above mentioned SQUARE SHOULDER CASING ELEVATOR BUSHING INSERTS. All observations have been recorded and are disclosed in the Rees NDT Inspection Report for Work Order #158273. The scope of this certificate is limited to the inspection of item's structural condition at the time of inspection and does not imply a review of the equipment's design or its associated capacity rating. The original equipment manufacturer's maximum capacity rating may be reduced by operating conditions, regulatory requirements and the use of auxillary equipment that has a lower capacity rating.

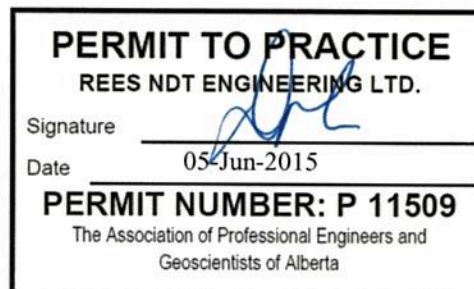

The undersigned Engineer reviewed all the inspection reports and has issued this certificate after all required repairs (if any) were completed. In the undersigned Engineer's opinion, the SQUARE SHOULDER CASING ELEVATOR BUSHING INSERTS may be returned to service and is safe to use within the original manufacturer's specifications. The equipment owner is obliged to supply the OEM's operating instructions with the equipment and maintain the OEM's identification and capacity markings. If OEM information cannot be obtained, certified replacements must be obtained from a Professional Engineer.

This certification covers the above mentioned unit for a period of 500 WORKING DAYS WITH LEVEL III PERFORMED EVERY 12 CALENDAR MONTHS AS PER CAODC RECOMMENDED PRACTICE from the date of inspection, or until the unit is damaged by handling, transportation or operation.
